

TECHNICAL AND SERVICE BULLETIN

NO. 721
DATE: MAY 1990

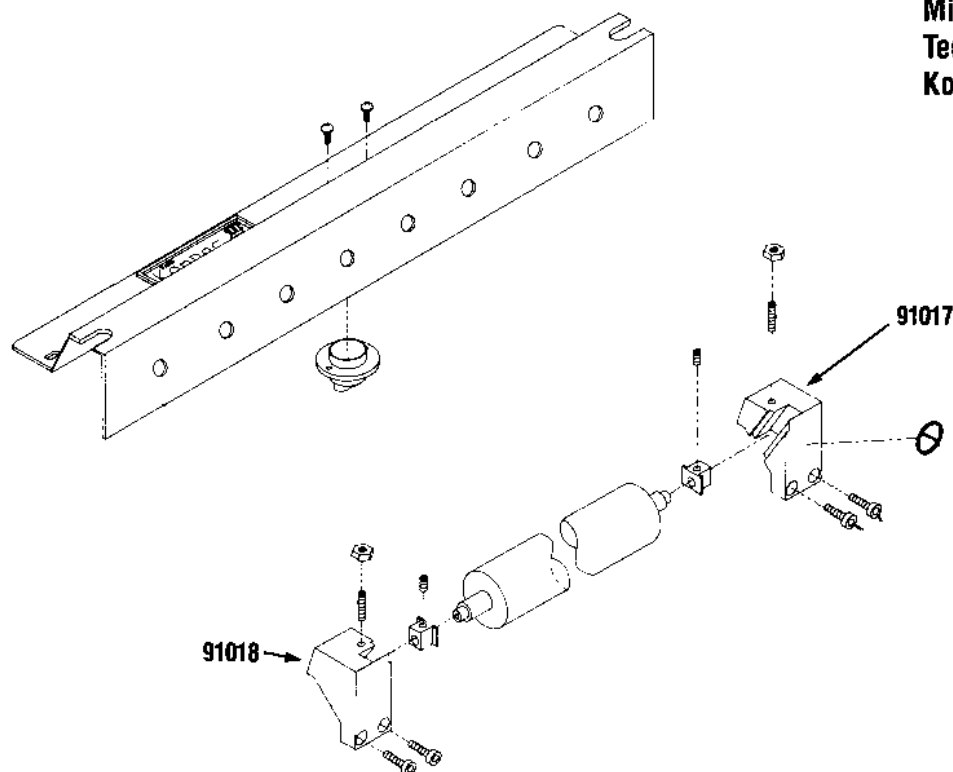

TO: All Kompac Dealers
SUBJECT: KolorMate Retrofit Update

New end blocks are available which will enable operators to adjust the pressure applied to the KolorMate oscillator roller. This will eliminate flashing and other related problems. The end blocks will be included with all new KolorMate units. If you require a set of these end blocks for units currently in the field, please order them, at no charge, by the part numbers listed below.

Part No.	Description
91017	R.H. Oscillator End Block
91018	L.H. Oscillator End Block

Note: Kompac safety cover must be modified to accept new blocks.

Michael Pek
Technical Representative
Kompac Division
