

TECHNICAL AND SERVICE BULLETIN

NO: 22
DATE: JUNE 1990

TO: All Kompac Dealers
SUBJECT: New Design of Ryobi Mounting Bracket Kit

New mounting bracket kits, for Ryobi presses, are available which will prevent the form roller stripe from moving out of adjustment. These bracket kits are now included with all new Kompac units. If you currently experience this problem, you can order a bracket kit, at no charge.

Refer to Graph Tech part number listed below:

Part No.	Description
94050	Ryb 2728 Bracket Kit
94070	Ryb 3200 Bracket Kit

Thank you for your continued support.
