

TECHNICAL AND SERVICE BULLETIN

TO: All Kompac Dealers

NO: 28

DATE: Jan. 1991

Effective February 1st, 1991, All ATF Chief and Gestetner mounting bracket parts that are currently bright zinc coated, will be changed to a dark black zinc coating. The proper part number will continue to be stamped on the part for identification. These bracket parts will be included with all new units as well as with all replacement parts ordered. Following is a list of parts that will be effected by this change.
