

KOMPAC TECHNICAL UPDATE

NO: 52
DATE: APRIL 1995
TO: ALL KOMPAC
DEALERS
SUBJECT: OBSOLETE PARTS

Effective April 1, 1995, Graph Tech has obsoleted part numbers 92250 (Backing Plates) and 92260 (Seals). If you must replace these backing plates or seals, order part number 92280, Backing Plate Retrofit Kit. This kit will include all the parts needed to upgrade to the new style backing plate, plus two sets of seals. The special price for this kit will be \$60.00 list price, \$40.80 dealer cost. The following diagram shows the retrofit kit.

NOTE: All Kompac 1 parts are now obsolete. Under our trade-in program for Kompac 1, when you order a Kompac II, you will receive a free KolorMate oscillator. If you have any questions regarding this trade-in program, please contact Graph Tech at 1-800-541-5702.

Thank you for your continued support.
