

# KOMPAC TECHNICAL UPDATE

NO: 68  
DATE: FEBRUARY 1998  
TO: ALL KOMPAC  
DEALERS  
SUBJECT: HAMADA RS/VS  
SATELLITE HEAD

Please be advised that when you have an order to install a Kompac unit on a Hamada satellite head equipped with a Crestline® water system, some additional parts are required to complete the installation. These parts must be obtained from Hamada.

The following is a list of part numbers required.

QTY.	PART NUMBER	DESCRIPTION
2	6803-12015	BUSHING BRACKET
4	117-515	SCREW
2	145-365	SET SCREW

Crestline is a registered trademark of Accel Graphic System.

Thank you for your continued support.
