

KOMPAC TECHNICAL UPDATE

NO: 70
DATE: JUNE 1998
TO: ALL KOMPAC
DEALERS
SUBJECT: RYOBI 3302
UNIT CHANGE

Please be advised that Graph Tech has changed the design of the Ryb330 Kompac model, which fits the Ryobi 3302, Itok 3985 and the AB Dick 9985 press models. The new design has the oscillating roller mounted on the form roller. The model number has also been changed, when ordering Kompac units for the above mentioned presses please use the new model number Ryb332. To upgrade an existing Kompac to the new design Graph Tech has available an upgrade kit. The price for this kit is \$405.00 list price \$275.40 dealer cost per unit. Parts will still be available for the old style units. The part number for the upgrade kit is #94103. The following is a diagram showing what is included with the kit.
