

KOMPAC TECHNICAL UPDATE

NO: 75
DATE: JUNE 1999
TO: ALL KOMPAC
DEALERS
SUBJECT: HAMADA
UPDATE

Please be advised that Technical Bulletin number 72, dated December 1998, is incorrect. We listed a press model that our Kompac system will not fit on. This press model is the Hamada 770-second color head. The Kompac unit will fit on the main head of this press model. Sorry for any inconvenience this may have caused you.

Please be advised when replacing a Crestline® dampener with a Kompac unit on an RS/VS 34 II there are some additional Hamada parts required to complete the installation on the main and second color head.

The following is a list of Hamada parts required.
