This parts list includes four models, the NP51, NPE51, NP52 and NPE52.
The exclusive parts for the each model are indicated by the model name.
(For the parts that are common on all four machines, no model name is listed.

Details of the NP51, NPE51, NP52 and NPE52

- The NP51 and NPE51 are NP units for the Ryobi 512.
The NP52 and NPE52 are NP units for the Ryobi 520, 520H, 522, 522H and 524.
- The NP51 and NP52 are the standard type NP units.
The NPE51 and NPE52 are the economy type NP units.

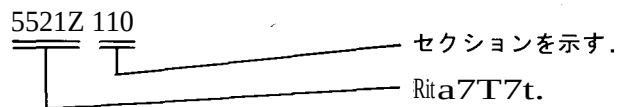

No.	Items	NP51, 14P52 (Standard type)	NPE51, NPE52 (Economy type)

How to use the parts list

1. Section number

This parts list is divided into machine sections and each section has a number.

(Example) Section number

5521Z 110

The section number

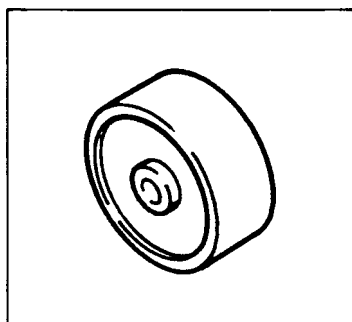

The machine model number

* This number includes both the machine model number and the section number.

2. How to use the parts list

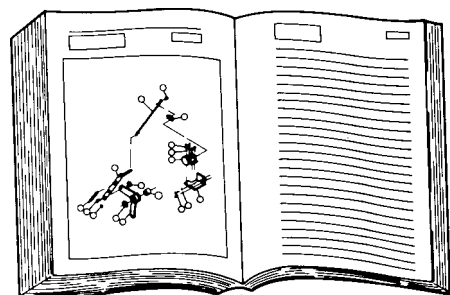

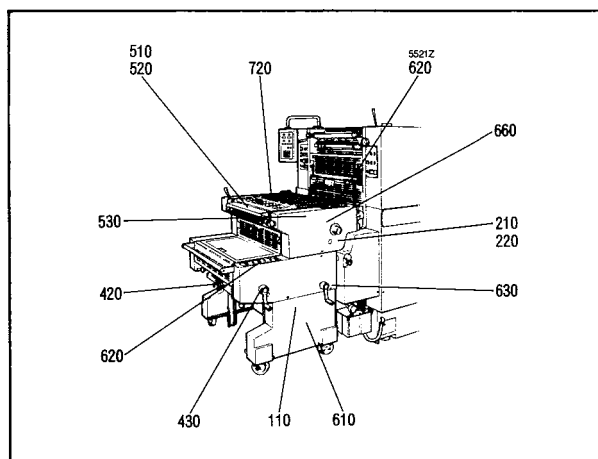

1) To find the part number(when ordering the part)

Part to replace

91 926

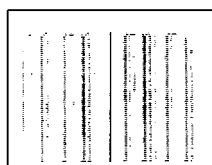

Find the section number needed on this illustration of the machine.
